

Boosting Bulokes and Diamond Firetails in the Muckleford valley

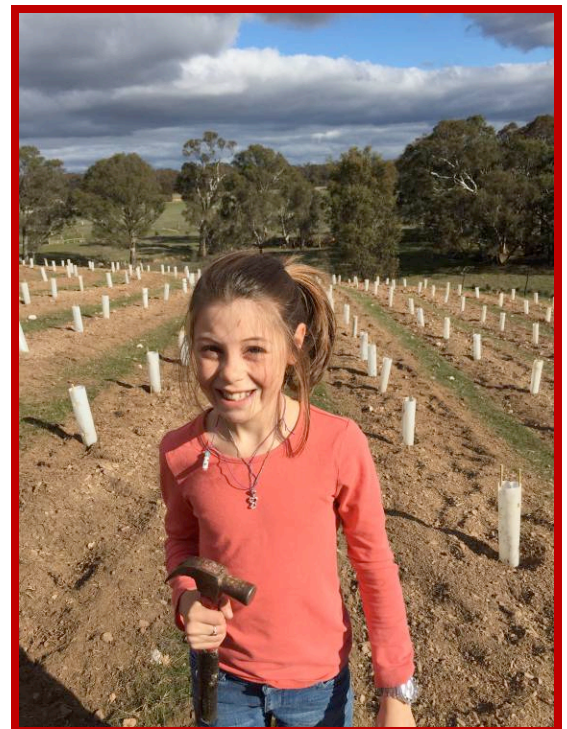

Friday June 09, 2017

Castlemaine Steiner School 8:45am – 1pm

Join Muckleford Catchment Landcare, Connecting Country and the staff and students of the Castlemaine Steiner School and Kindergarten for a fun morning helping our local threatened flora and fauna.

The morning will feature a buloke planting demonstration, diamond firetail and fauna facts and a buloke planting working bee. Includes morning tea and a light lunch.
