

Get to know your local weeds

WORKSHOP

TUESDAY 24th OCTOBER 2017, 6pm-8:30pm

NEWSTEAD COMMUNITY CENTRE, 9 Lyons Street, Newstead

- Learn how to recognise and identify local noxious weed species that occur in Newstead and surrounding areas through a presentation and fun games
- Meet friendly members of your local Landcare groups
- Share a delicious provided supper
- Bring in photos or samples (in ziplock bags) of weeds or other plants for help with identification
- For more info, please contact Asha at Connecting Country on 5472 1594 or at asha@connectingcountry.org.au

RSVP to asha@connectingcountry.org.au by Thursday 19th October for catering purposes

- **CONNECTING COUNTRY**
- **GUILDFORD & UPPER LODDON LANDCARE GROUP**
- **MUCKLEFORD CATCHMENT LANDCARE GROUP**
- **SANDY CREEK CATCHMENT LANDCARE GROUP**

This workshop is part of a Landcare Network project funded through the Victorian Landcare Program.
